We are committed to creating an inclusive environment where every student feels confident and comfortable in their dance classes. We support our gender-fluid students in choosing a combination of uniform items that best fits their identity. While students must wear a uniform that is suitable and safe for dancing, we are open to alternative options.

In addition, we are in the process of introducing our new "\*Shades Range" of uniforms for Ballet students who prefer to wear skin-coloured tights, socks, and shoes. If you have any questions, would like to discuss uniform alternatives, or wish to explore our new range, please contact Becky at [becky@letsdanceacademy.co.uk](mailto:becky@letsdanceacademy.co.uk).

### **GRADE 3+/PBT/POINTE:**

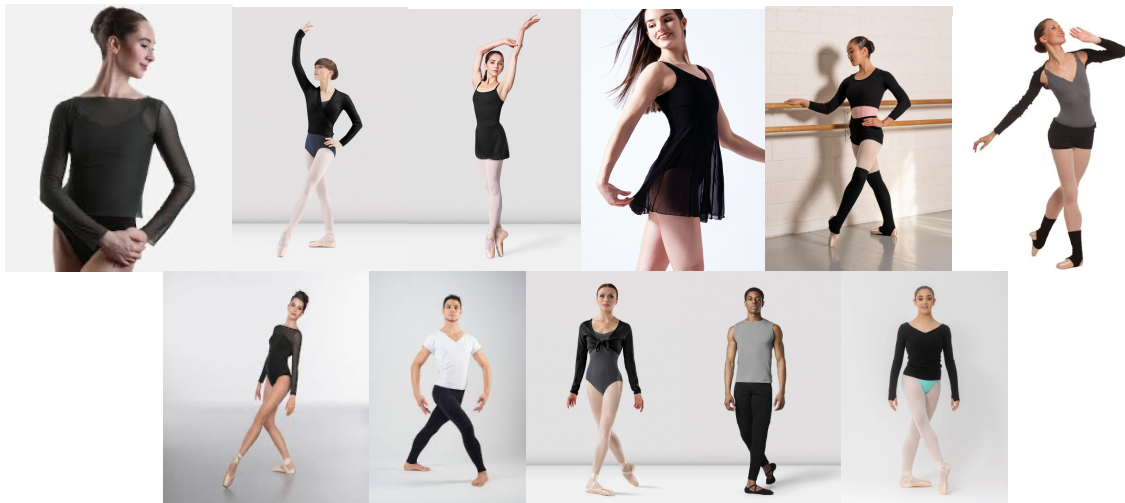

**To ensure students feel comfortable in class, we require students to wear a tight base of leotard and tights. Students may attend ballet in any form of variation if it is classical and in keeping with the genre.**

Some of these items are available at LDA, other dance shops to try are:

<https://www.dancedirect.com>

**Please find examples below:**

PBT: Students may also wear full body warmers.
